

CUBA-10 LED Wall Light

Description

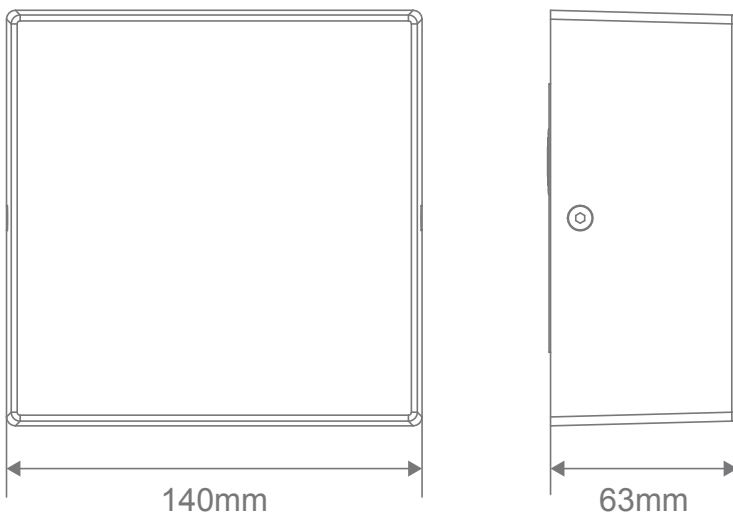

The CUBA is a modern and stylish IP65 Wall light series that offers a modern, minimalistic and uniform solution to front facades or back patio areas where ambient lighting is required, as well as lighting sides of the house. The CUBA-10 provides a bright light output and even ambient light effect through the specially designed opal acrylic diffuser, combined with clear-cut edging. Featuring a die-cast Aluminium backplate frame for sturdy and durable installation. Available in Warm White 3000K or White 5000K colour temperatures. Backed by our 3 Year Replacement Warranty.
