

Camino Series Rectangular LED Steplight

Description

The CAMINO is a mini recessed LED Step Light Series that can be applicable for both interior and exterior situations. The CAMINO has been rated at IP54 and as such is suitable for outdoor undercover areas. CAMINO is constructed from die-cast aluminium, complete with an asymmetrical optic lens over an energy saving 3W COB LED chip, capable of providing a nice even flow of light on low-level surfaces and pathways. Available in Black and White painted frames, with the choice of round and square fascia's, either with Slot or Asymmetrical opening. Also available in Rectangle shape, ideal for long pathways. Complete with dimmable LED Driver (240V). Choose between 3000K (Warm White), 4000K (Neutral White) or 5000K (White) colour temperature options (tri-colour switchable).
