

Glide-80

6 Blade 80" Ceiling Fan with Optional Light Kit

Description

The GLIDE DC Ceiling Fan Series is a modern and slimline ceiling fan design that offers wide air span and longer blade lengths which offer a simplistic look which will suit most larger area decors. Available in a 6 Blade 80" 2030mm blade length with the choice of an 18W LED CCT Switchable light Kit as an optional accessory if a light option is required. Choose from 3000K Warm White, 4000K Neutral White or 5000K White via the remote control. The remote control also features a 9-speed function and fan timer and reverse Winter/Summer mode included. Optional Light Kit is fully dimmable via remote control. Constructed from ABS Polymer, the GLIDE Series is lightweight, quiet and offers superior airflow. Super energy efficient DC Motor, drawing only 55W at high speed. Smart fan adaptable with a smart chip accessory, that is compatible with Google Home and Alexa. Other optional accessories include extension rods, DC Bluetooth Wall Controller as well as Ceiling Pitch Accessory for raked ceiling installations. Suitable for Indoor and Outdoor Undercover use. Backed by a 6 Year Warranty*.
