

DECO-13T Tilttable LED Downlight

Description

The cost effective Deco range continues to expand as Domus Lighting introduces the Deco 13W Tilt version of its highly popular LED downlight. Integrating a SMD2835 light source and a compact high-efficiency driver into a traditional CFL replacement, this particular item gives you the ability to direct the wide 90° beam angle - great for washing walls, highlighting paintings or focusing beams.

The Deco 13 Tilt is available in a satin white finish and your colour choice of white or warm white LED lighting.
