Aqua Tilt 13

Tilt LED Downlight

Description

The AQUA Series is a well-designed IP65 downlight range that offers a robust solution to wet areas and outdoor applications through enhanced silicon sealing and moisture protection methods. Features include tilt adjustable frame and optic lens diffuser with the choice of a Black or Satin White powder coated finish. Light is provided from a single point COB high performing LED with a perfectly matched 60° optical reflector. Suitable for bathrooms, or outdoor areas where moisture is a concern. Complete with a fully dimmable LED driver and flex and plug. Backed by our Five Year Replacement Warranty. Now with TRIO, the added option of changing the colour temperature output of the downlight with a dip switch at the back of the fitting.
