Alira-1

Down Wall Light

Description

ALIRA Series 1 Light Down Only Wall Light combines a slimline profile with durable outdoor performance, making it a smart choice for pathways, facades, entryways, and entertaining areas. Its clean downward light creates a soft ambient effect that feels subtle yet refined, especially when used along exterior walls or architectural features.
The integrated 6W LED includes a convenient 5-CCT switchable option, allowing you to tailor the atmosphere to suit the space. Choose from Extra Warm White through to crisp Daylight depending on the mood or application. Whether you are after a warm evening glow for a courtyard or brighter functional lighting around entrances, the flexibility is built in.
Crafted for Australian conditions, the ALIRA Series is available in a selection of premium finishes including textured black (316 SS body), textured white (316 SS body), stainless steel (316 SS body), brushed brass (brass body), and antique brass (brass body). The range also offers both 240V and 24V DC options, making it suitable for residential projects, landscaped gardens, and custom lighting installations. Backed by a 3 Year Warranty.

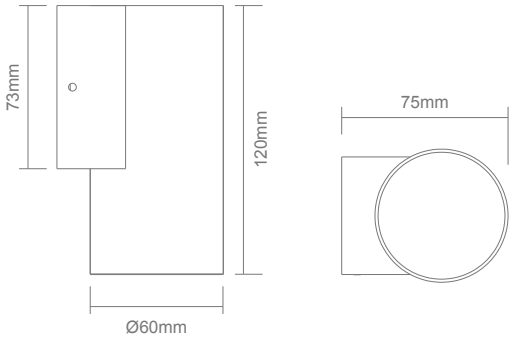

Specification Features

Input Voltage:	240V or 24V DC*	
Power (W):	6W	
IP rating (IP):	IP65	
Lumens (lm):	**240V**	**24V**
Extra Warm White 2700K	448lm	453lm
Warm White 3000K	453lm	489lm
Neutral White 4000K	487lm	513lm
White 5000K	515lm	541lm
Daylight 6000K	527lm	560lm
LED type:	COB	
CCT:	2700K - 3000K - 4000K - 5000K - 6000K (Switchable)	
CRI:	≥90	
Beam angle (°):	60°	
Dimmable:	Yes**	

** Requires 24V DC Constant Voltage LED Driver (not included) - Wire in Parallel*
***Fully dimmable with suitable dimmers.*
