Lumaline 2 - 600mm

LED Wall light

Description

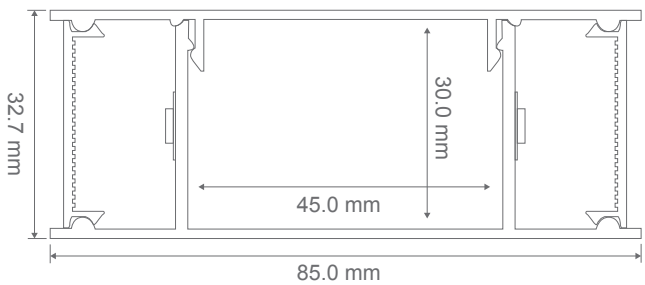

The LUMALINE-2 600mm LED wall light is a sleek up and down wall light for any interior space for residential or commercial applications. This aluminium profile complete with opal colour PMMA diffuser conceals the LED strip lighting but also keep the strip lighting linear. Ideal for a minimalistic and indirect light to create a subtle mood ambiance. Designed to not see any mounting screws. Backed by our Three Year Replacement Warranty.
