DOMUS®

The MAXI series is a locally manufactured linear profile system, certified Australian Made and perfect for projects that require a personal touch. Suited to commercial, residential, and custom-fitout applications, the series includes four distinct profile shapes: MAXI-40, MAXI-50, MAXI-75, and the MAXI-CURVE. Each is available in standard lengths of 1.2m, 1.7m, or 2.4m, as well as in custom lengths depending on your needs.

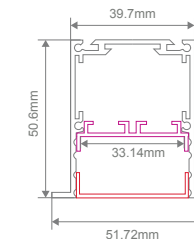

Mounting options include pendant, surface mounted, wall mounted, and recessed, depending on the profile. Comes in the basic finishes of black, white, or raw aluminium, with custom colours available through in-house powder coating when required. That local process gives tighter control over consistency and allows colour matching to perfectly suit your project. Outputs, drivers, and control gear are also configured in-house, meaning we can match any of your needs including dimming or emergency applications. All mounting hardware is supplied, and each unit is designed to be serviceable on-site. With a choice of diffusers, mounting styles, and outputs, MAXI linear systems can be tailored to suit the project brief without requiring redesigns around fixed lighting formats.

Because the entire system is manufactured locally, turnaround on custom configurations is fast, and support is direct. The MAXI Series is perfect for contractors, designers, and specifiers looking for a made-to-order solution that's built with project realities in mind. If that's you, or you like one of our many off the shelf solutions, please reach out and we will be in touch.

Maxi **40** Series

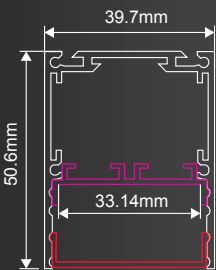

Maxi 40 Series

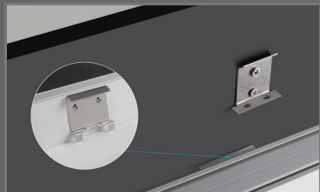

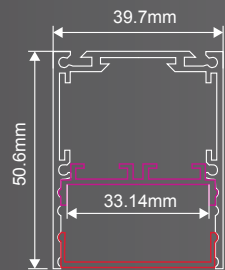

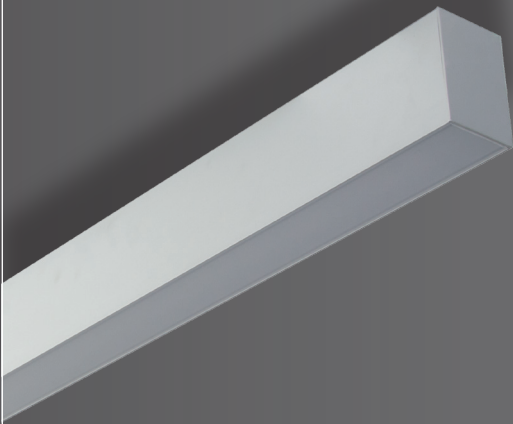

- Profile includes Driver and OSRAM LED BOARDS.
- Sold Per Metre.
- Inbuilt LED Driver.
- Aluminium profile and diffuser
- Available with low, flat or high mounted diffuser.
- Made to order in Australia from local and imported components.
- DALI & DALI Tuneable white options available upon request.
- CRI90.
- IP20 Indoor Use Only.
- Custom Lengths and Designs available upon request.
- Complete with 3m wire suspensions and 3m clear power cable (Pendant only).
- 5 Metre suspension kits available upon request (Pendant only).
- 5 Metres continuous legth without joints.

Specification Features		
Input Voltage:	240V AC	
IP rating (IP):	IP20	
Power (W):	22W	
Lumens (lm):	Warm White 3000K	Neutral White 4000K
	2645lm	2788lm
LED type:	SMD	
CCT:	3000K - 4000K	
CRI:	≥90	
Beam angle (°):	120°	
Dimmable:	No	
Lifespan (hrs):	50,000hrs

Maxi *Curve* Series

-  Suspension
-  Surface
-  Dimmable
-  Voltage (240V)
-  Beam Angle 120°
-  Replacement Warranty (5yr)
-  IP Rating (20)

Maxi Curve Series

- Profile includes Driver and OSRAM LED BOARDS.
- Sold Per Metre
- Inbuilt LED Driver.
- Aluminium profile and diffuser
- Made to order in Australia from local and imported components.
- DALI & DALI Tuneable white options available upon request.
- CRI90
- IP20 Indoor Use Only.
- Custom Lengths and Designs available upon request.
- Complete with 3m wire suspensions and 3m clear power cable (Pendant only).
- 5 Metre suspension kits available upon request (Pendant only).
- 5 Metres continuous legth without joints.

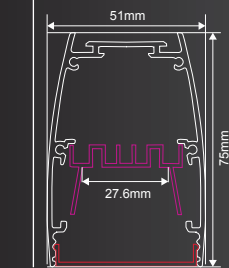

Specification Features

Input Voltage:	240V AC	
IP rating (IP):	IP20	
Power (W):	22W	
Lumens (lm):	Warm White 3000K	Neutral White 4000K
	2645lm	2788lm
LED type:	SMD	
CCT:	3000K - 4000K	
CRI:	≥90	
Beam angle (°):	120°	
Dimmable:	No	
Lifespan (hrs):	50,000hrs	

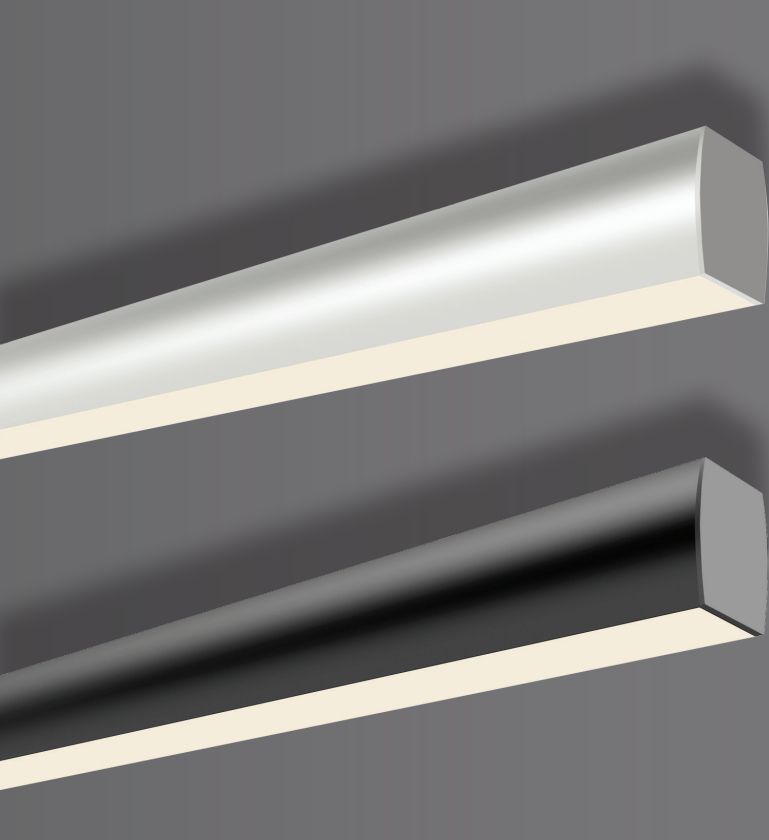

Pendant

Down Only

Surface Mounted
