BASE

Adding the extension to the bollard:

1. Unscrew the base of the bollard and feed the cables through the extension.
2. Screw the extension at the end of the main bollard.
3. Screw the base at the end of the extension.

Using the spike (soft ground application):

1. Using the screws provided, fix the spike onto the base.

Note:

-The lamp must be installed by professional electrician
-Ensure the power supply is switched off before fitting this product
-Do not touch the lamp when in use
-Keep away from hot steam and corrosive gas
